ARBYS ROAST BEEF SANDWICHES & MELTS

Regular Roast Beef Sandwich

In 1964, Arby's dared to be different when it created its famous roast beef sandwich. Since then you could say it's become somewhat of a cult classic, representing what's great about being anything but the usual. Our classic sandwich has Arby's thinly sliced, oven-roasted beef piled high inside a toasted sesame seed bun. Try it with our delicious Arby's Sauce, or for an extra kick go with the zesty Horsey Sauce®.

Junior Roast Beef Sandwich

For the mini-members of the family, try this perfectly petite pile of roast beef on a toasted sesame seed bun.

Medium Roast Beef Sandwich

More thinly sliced, juicy roast beef? No problem. The Medium Roast Beef Sandwich features our famous oven-roasted beef placed perfectly inside a toasted sesame seed bun.

Bacon Beef 'n Cheddar

French Dip Sandwich

C'est magnifique! Our mouthwatering French Dip combines freshly sliced roast beef on a toasted baguette with a side of savory au-jus for dipping. Add melted Swiss cheese for a special treat. *Available at participating locations.
